Paper No./Mail Date _____.
7. ☐ Examiner's Amendment/Comment
8. ☒ Examiner's Statement of Reasons for Allowance
9. ☐ Other _____.

Allowable Subject Matter

1. Claims 13-39 (Renumbered 1-27) have been allowed.
2. The following is an examiner's statement of reasons for allowance:

Regarding claims 13-19, patentability resides, at least in part, in the combination of: a sample processing apparatus including a main unit with at least one processing chamber for disposing and processing of a sample, a recording device recording information including a plurality of time sequence data corresponding to signals concerned with operations of a plural portions of the main unit, a display unit displaying at least one information selected by an user from among the information recorded as the predetermined data in the recording device and an information about an abnormality, wherein the information selected and the information about the abnormality is display synchronously, in further combination with the other limitations of the base claim 13.

Regarding claims 22-30, patentability resides, at least in part, in the combination of: a sample processing system including the apparatus as stated above along with an off-side display unit.

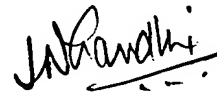

Regarding claims 31-39, patentability resides in a sample processing method for the apparatus as stated above.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Jayprakash N. Gandhi whose telephone number is 571-272-3740. The examiner can normally be reached on 6:30-5:00 (Mon. - Thu.).

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Leo P. Picard can be reached on 571-272-3749. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free).
